

## Spring Safety Checklist for Seniors

Use this checklist of major safety items to keep your older adult's home in tip-top shape. Keeping their living environment safe reduces fall risk and helps them live as independently as possible.

### Medication

- Update the list of all medications, vitamins, and supplements
- Safely dispose of any expired or discontinued medications

### Bathroom

- Install grab bars (if needed) or make sure existing ones are sturdy and properly attached
- Replace bath mats with non-skid low profile mats
- Install a raised toilet seat or safety frame (if needed) or check that existing ones are sturdy
- Make sure tub or shower floor is non-slip
- Add automatic night lights to make it easy to see at night

### Kitchen

- Prominently post emergency contact information on the fridge and near the telephone
- Check that appliances are in good working condition and within easy reach
- Place frequently used items in easy reach
- Put away appliances that are rarely used to remove clutter
- Check that the stove, refrigerator, and freezer are in good working condition

**Bedroom**

- Use automatic night lights to light the way to the bathroom
- Check that the bedside lamp is easy to turn on and off
- Make sure the phone and/or medical alert device is easy to reach from the bed
- Check that the bed is easy to get into and out of (if not, add an aid)
- Keep clothing and daily dressing & grooming items within easy reach

**General house**

- Set the water heater at a temperature that won't scald
- Check that all sinks and drains are in good working order
- Clear hallways and main floor spaces of dangerous clutter
- Secure all electrical cords at the edges of rooms
- Make sure lighting is bright, that there are on/off switches at every doorway, and replace light bulbs as needed or switch to long-lasting LED bulbs
- Change smoke detector batteries or switch to a 10-year smoke detector
- Make sure fire extinguishers are fully charged and easily accessible
- Check that furniture is sturdy and in good shape – no wobbly or sliding chairs
- Check that flooring is smooth and free of tripping hazards

**Outside the house**

- Make sure that house numbers are clearly visible from the street, night and day
- Check that walkways are clear, free of tripping hazards, and have supportive handrails (as needed)
